WasteHero

Revolutionizing municipal waste management with an all-in-one SaaS suite for greener cities. Streamlining operations and engaging citizens effortlessly.

■ Design Lead 2022 Jan – Now · 1 yr 7 mos

Responsible for driving design decisions in an agile environment. Working closely with the team leaders and CTO to ensure seamless integration of design and product development. I maintain the design system, prioritize superior UX, and adeptly conceptualize and execute user-centric designs within demanding project schedules.

■ UiUx designer 2021 Jun – 2021 Dec · 7 mos

Ensuring Figma Library and design system integrity and accessibility for collaborative design. Prioritizing UX excellence through user-centric practices. Delivering innovative solutions and enhancing usability through refined user flows.

DigiHub Design School Kolding

■ UiUx designer 2019 Dec – 2021 Jun· 1 yr 7 mos

Design Researcher & UI/UX Designer adeptly collaborating IoT company in Denmark. Prioritizing universal design, accommodating users with disabilities in color and word recognition. Translating user needs into comprehensive system architecture.
